

What Conditions are Needed to Foster Financial Access to Education?

1 Food security

helps maintain
good mental health

2 Affordable housing

reduces financial
stress

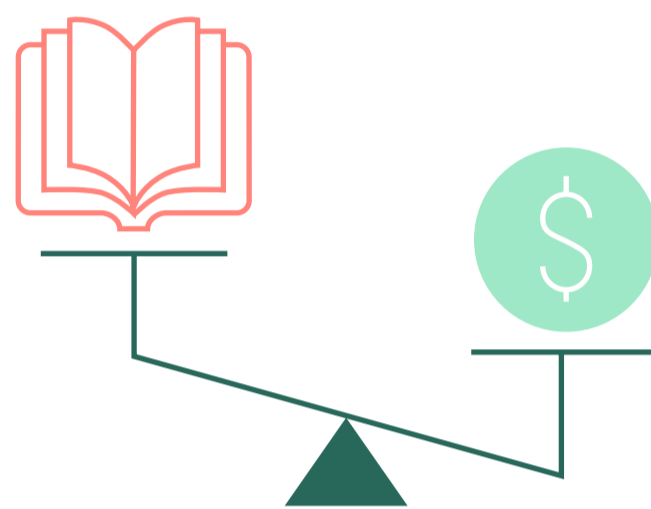

3 Financial assistance

tailored to the needs
of the student population

4 Remuneration

not exceeding
15 to 25 hours per week

What Needs to Be Clarified

Food security requires:

Suitable cooking
facilities

Economic
and physical access
to healthy food

Sufficient
culinary skills

Sufficient
knowledge
of healthy eating

Student debt includes:

Consumer credit, on the rise
among students

Student debt from
government loans

What if developing student financial literacy
was an avenue worth exploring?
